The DNA of the T. Rowe Price Concentrated Global Equity Fund

¹ 14 sector portfolio managers, 86 research analysts, 37 associate research analysts, 5 quantitative analysts, and 30 specialty analysts as of 31 December 2024.

² For certain types of investments, including, but not limited to, cash, currency positions, and particular types of derivatives, an ESG analysis may not be relevant or possible due to a lack of data. Where ESG considerations are integrated into the investment research process, we may conclude that other attributes of an investment outweigh ESG considerations when making investment decisions.

³ Active share represents the portion of portfolio holdings that differ from an index.
