✂ This paper clip indicates you may need to attach documentation.

Capitalized terms not otherwise defined on this form have the meanings set forth in the Plan Disclosure Document.

1 ACCOUNT INFORMATION

The allocation you request below will apply anytime you use the routing and account number we provide you. To change the allocation, call 866-521-1894 and provide your direct deposit account number.

For federal government paychecks or pensions, a completed Form 1199A is required and can be obtained by your employer. ✂

Once your form has been processed, you will receive a confirmation that will include additional information and the bank routing and account number you will need to complete the direct deposit process. There is a \$50 minimum contribution per Account, per month.
