Account Agreement

By signing this form, I certify the following:

- I received, read, and agree to be bound by the terms and conditions of the T. Rowe Price Education Savings Account Disclosure Statement and Custodial Agreement.
- I agree to be bound by the terms of the prospectus for each T. Rowe Price Fund (Fund) in which I am investing. I have the authority and legal capacity to purchase mutual funds, and am of legal age in my state.
- I authorize TRPS Services, Inc. (TRPS), the Fund, and their agents to act on any instructions believed to be genuine for any service authorized on this form, including computer/phone services. The Funds use reasonable procedures to verify the identity of the shareholder and the person(s) granted trading privileges, if applicable, when servicing an account by phone. I understand that it is TRPS' policy to accept transaction instructions from and provide account information to the registered account owner(s) only, unless the account owner(s) has provided written authorization to TRPS to grant trading privileges to another person. I further understand that it is my responsibility to monitor the activity in my account and not to provide account information, including my online user name and password, to anyone. TRPS, the Fund, and their agents are not liable for any losses that may occur from acting on unauthorized instructions. All services are subject to conditions set forth in each Fund's prospectus.
- I agree that computer/phone exchange and redemption services will be activated on my account unless I checked the box in Section 3.
- By adding a bank account, I hereby authorize TRPS to initiate credit and debit entries to my account(s) at the financial institution indicated and for the financial institution to credit or debit the same to such account through the ACH network, subject to the rules of the financial institution, ACH, and the Funds. TRPS may correct any transaction error with a debit or credit to my financial institution account and/or Fund account. **This authorization, including any credit or debit entries initiated thereunder, is in full force and effect until I notify TRPS of its revocation by phone or in writing and TRPS has had sufficient time to act on it.**
- I understand that, to minimize Fund expenses, it is TRPS' policy to send only one copy of prospectuses, shareholder reports, and other documents (except account confirmations and statements) to all Fund shareholders residing at the same address. I also understand that this applies to all existing Fund accounts and any accounts I may open in the future. I consent to this policy and understand that I do not need to take action. If I do not consent, I will call TRPS after my account is opened.
- To help the Federal government fight financial crimes, TRPS is required to obtain, verify, and record information that identifies each person who opens a TRPS account, in accordance with Federal law and regulations. Identifying information includes your name, address, date of birth, and other information that will allow us to identify you. You acknowledge that if TRPS is unable to verify your identity after making a reasonable effort, TRPS may take action, including but not limited to, not opening your account(s); restricting certain services; and closing and redeeming your account(s) at the net asset value next calculated after the account is closed, which may result in tax consequences.
- The Funds can redeem shares from my account(s) to reimburse a fund for any loss due to nonpayment or other indebtedness.
- I understand that if my account has no activity in it for a period of time, TRPS may be required to transfer it to the appropriate state under abandoned property laws.
- All signatures on this form are genuine signatures of the respective individuals or their legal guardians or agents. If I am naming a new Beneficiary, the new Beneficiary is a member of the family (as defined by the IRC) of the current Beneficiary. It is my responsibility to maintain

accurate records as may be required to substantiate this change of Beneficiary.
