

Notice of the Sources of Fund Distributions

Section 19(a) of the Investment Company Act of 1940 requires the payment of any distribution to be accompanied by a written notice that discloses the sources of a payment if it is made from any source other than the fund’s net income. This notice is intended to satisfy the requirements under Section 19(a).

This notice provides an estimated per share breakdown of the sources of the distribution to shareholders of record on February 17, 2026, for the following funds:
