Item 5.07 - Submission of Matters to a Vote of Security Holders.

On October 8, 2026, T. Rowe Price OHA Select Private Credit Fund (the "Company") held its annual meeting of shareholders (the "Annual Meeting"). At the Annual Meeting, shareholders considered two proposals described in the Company's proxy statement filed on September 9, 2026. The issued and outstanding common shares of the Company entitled to vote at the Annual Meeting consisted of 62,473,382 common shares outstanding on the record date, September 8, 2026. The final results of the voting on the matters submitted to shareholders at the Annual Meeting are set forth below.

Proposal 1: By the votes shown below, the shareholders elected the nominees for trustees. Each trustee will serve until the 2029 annual meeting of shareholders or until his or her successor is duly elected and qualified. The election of each nominee required a plurality of the votes cast by all shareholders present, virtually or by proxy, at the Annual Meeting, meaning that the nominees who received the highest number of affirmative votes were elected. Neither a properly executed proxy marked "withhold" nor "broker non-votes" affected the outcome of the proposal, although they were considered present for the purpose of determining the presence of a quorum.
