

GENERAL NAVIGATION

- 1. Switch plan.** Use this tool to switch between places if you have more than one.
- 2. Alerts.** Find your latest site access approval requests (if you're the authorized approver) and a handy calendar of events that includes conferences, webinars, and compliance deadlines.
- 3. Your profile.** Change account settings (including user name and/or password), request additional access, or ask for reports.
- 4. Primary navigation.** Access tools provided to manage your plan.

What you'll find in the primary navigation:

PLAN	PARTICIPANTS	REPORTS AND ANALYTICS	RESOURCES
Manage your plan, view plan documents, access compliance resources, and control user access.	Look up participants and access participant education resources.	View key plan health metrics, robust reporting, and investment data.	Access thought leadership and fiduciary resources.
