The Power of the Global Research Platform

- 187 equity research professionals
- On the ground in different countries, researching the best companies that drive stock selection.

The Whole World in a Fund

- A highly-diversified portfolio of approximately 150-200 companies.
- With the flexibility to invest in developed, emerging and frontier markets e.g. Philippines, Indonesia, Peru.

The DNA of the T. Rowe Price Global Equity (Hedged) Fund

- Deep research
  The breadth and depth of our global research provides a critical information edge to find the best investment ideas.

- Diversified
  Diversified portfolio across sectors and regions.

- Active stock-picking
  Conviction in companies demonstrating quality fundamentals.

- Long-term durable growth potential
  Seek to add alpha through patient investing in long-term growth stories.

- ESG integration
  Environment, Social and Governance (ESG) considerations are integrated into our fundamental research.

1 13 sector portfolio managers, 92 research analysts, 45 associate research analysts, 6 quantitative analysts, and 31 specialty analysts as of 30 September 2023.

2 ESG considerations form a part of our overall research process, helping us alongside other factors to identify investment opportunities and manage investment risk. At T. Rowe Price this is known as ESG integration. However, we may conclude that other attributes of an investment outweigh ESG considerations when making investment decisions.

<td>Risk (please read the PDS for further details)</td>
<td>Medium to High. The following risks are materially relevant to the Fund. Equity risk: in general, equities involved higher risks than bonds or money market instruments. Volatility risk: the performance of the Fund has a risk of high volatility. Emerging markets risk: emerging markets are less established than developed markets and therefore involve higher risks. Currency Risk: Currency risk will be minimised through a hedging program, though the Fund may not always be fully hedged if smaller currency exposures prove impracticable and/or too costly.</td>
