- 2) For the following funds, chemical and biological weapons have been added to the list of controversial weapons where, if a specific company’s business activities involve these, they will be excluded through the application of the socially responsible screen (exclusion list):
  - T. Rowe Price Sustainable Asian ex-Japan Equity Fund
  - T. Rowe Price Sustainable Emerging Markets Equity Fund
  - T. Rowe Price Sustainable Global Focused Growth Equity Fund
  - T. Rowe Price Sustainable Global Growth Equity Fund
  - T. Rowe Price Sustainable US Large Cap Growth Equity Fund
- 3) The table “Fund Derivatives Usage” has been further clarified to reflect that the following funds may use ‘Other Swaps’, as identified in the “Derivatives the funds may use” section, in pursuit of the funds’ investment objectives and in line with what the table indicates the funds may use derivatives for:
  - T. Rowe Price Global Aggregate Bond Fund

**None of these amendments represent a change to the investment strategy of any fund.**

As usual, if you wish to transfer your investment to another fund or redeem your holding, you may do so at any time, as per the conditions set out in the prospectus, free of any charges.
