---

Prior to completing this form, please ensure that you have the latest information on the funds available and a copy of the current PDS and Reference Guide.

If you have any questions about which fund(s) may suit your particular circumstances, please contact your financial adviser.

Subject to the terms and conditions relating to applications and redemptions outlined in the current PDS generally applies to the switching of investments:

- Switching instructions will be processed in two stages; a redemption from the fund being switched out of followed by an application into the fund being switched into. The buy/sell spread will generally apply to both stages of the switch. To obtain an indication of the current buy/sell spread please visit [www.eqt.com.au](http://www.eqt.com.au).
- The redemption will be processed for value on the business day EQT as Responsible Entity receives and accepts the valid instruction.
- The application will be processed when funds from the redemption are confirmed and available for investment. Accordingly, there may be a slight timing mismatch between the redemption and application.
- If you are switching into a new fund, you must complete the initial application form accompanying the current PDS and send the original application to use together with this Investment Switching Form.
