

SUPPORTING THE U.N. SUSTAINABLE DEVELOPMENT GOALS

We are committed to supporting select United Nation's Sustainable Development (SDGs) and the 2030 global agenda. In 2015, the United Nations adopted 17 SDGs as part of the agenda to end poverty, protect our planet, and ensure prosperity. T. Rowe Price works to address the goal of Quality Education through our daily interactions with our clients, colleagues, and communities. As we strive to make a greater global impact, we find ourselves indirectly affecting select areas of the goals of Good Health and Well-Being; Gender Equality; Decent Work and Economic Growth; Industry, Innovation, and Infrastructure; Reduced Inequalities; Responsible Consumption and Production; Climate Action; and Peace, Justice, and Strong Institutions. Throughout this report, you'll see the corresponding SDG icons at the bottom of select pages to highlight where our efforts support these goals.
