Source for performance: T. Rowe Price. Fund performance is calculated using the official NAV with distributions reinvested, if any. The value of your investment will vary and is not guaranteed. It will be affected by changes in the exchange rate between the base currency of the fund and the currency in which you subscribed, if different. Sales charges, taxes and other locally applied costs have not been deducted and if applicable, they will reduce the performance figures.

Performance data will be displayed when a share class has more than 1 year history of returns.

The manager is not constrained by the fund's benchmark, which is used for performance comparison purposes only.

MSCI Index returns are shown with net dividends reinvested.
