**Past performance is not a reliable indicator of future performance.** Source: T. Rowe Price. Performance returns are calculated on a NAV-NAV basis, net of fees, with dividends reinvested. Returns more than 1 year are annualised. Calendar year performance returns in the inception year is from the inception date to 31 Dec of that year, which may not be a full year. Benchmark returns are shown with reinvestment of dividends after the deduction of withholding taxes. This benchmark is shown for comparison purposes only.

## INVESTMENT OBJECTIVE

To increase the value of its shares, over the long term, through growth in the value of its investments. The Fund is actively managed and invests mainly in a diversified portfolio of shares from large capitalization companies in the United States that have the potential for above-average and sustainable rates of earnings growth. For full investment objective and policy details, refer to the prospectus.
